Suggested Dispatch Format.

(nr) Message Number	Sending Office Callsign	Sending Operator's Sine	(ck) Check
(fm) Sending Operator's Location	Time (optional), followed by AM or PM	Month & Day	
(to) Message Recipient	Recipient Location ( . )	Text of Message ( . )	

(sig) Message Originator's Signature (Not Sending Operator)

**Sending Operator:** Send items in parenthesis and all other items except time, month, and day. Mark receiving office's call, receiving operator's sine, and time sent on message before filing or spindling. If there are more messages to send, send "more" or the remaining number of messages to receiving operator. If there are no more messages, send "nm."

**Receiving Operator:** Do not copy items in parenthesis on message form. Mark time, sending office call, and sending operator's sine on form before delivery.
